PROFESSIONAL SUMMARY

Cybersecurity undergraduate building hands-on experience in offensive security, penetration testing, and OSINT through a live internship and security projects. Combines practical development skills with a strong record in CTFs, hackathons, and leadership activities to support real-world applications.

SKILLS

Ethical Hacking, Penetration Testing (Kali Linux, Parrot Linux), Web Application Security & Vulnerability Assessment, OSINT, Cryptography, Steganography, SOC Fundamentals, React.js, JavaScript/TypeScript, ASP.NET Core MVC, Flask, PostgreSQL, Oracle Database, Firebase, Python, C, Git, Public Speaking, Leadership, Team Collaboration

PROFESSIONAL EXPERIENCE

Cybersecurity Intern — Hackitise Labs Pvt. Ltd.

Apr 2026 – Present

- Conduct penetration testing on live web applications and networks using Burp Suite and Nessus, documenting vulnerabilities mapped to the OWASP Top 10 and delivering remediation-focused reports to client stakeholders.

IT Intern — NHPC Limited

Jun 2025 – Jul 2025

- Developed an Internal Complaint Management System (ASP.NET Core MVC, Oracle Express) covering 2 user roles and 3 core modules — complaint tracking, maintenance alerts, and live chat — digitizing issue resolution for the department.

PROJECTS

SecurityRiskScanner — Personal Project

May 2025 – Present

- Built a code security scanner covering 3+ vulnerability classes (SQL injection, XSS, hardcoded credentials), with PostgreSQL-based scan history and a web interface for vulnerability reporting.

RiverGuard — Personal Project

Apr 2025 – Present

- Developed a real-time river monitoring dashboard tracking 3 key parameters (water level, flow, quality) with role-based authentication, an admin panel, and automated alerts using React, Flask, and PostgreSQL.

FitLife — Personal Project

May 2025 – Present

- Built a React.js health-tracking app covering 4 metrics — sleep, weight, workouts, and water intake — with Chart.js data visualization and a fully responsive UI.

EDUCATION

B.Tech, Cybersecurity — Faculty of Technology, VMSB Uttarakhand Technical University

Aug 2023 – Jul 2027 (Expected)

UG Diploma, Civil Engineering — Government Polytechnic, Kashipur

2020 – Dec 2023

Senior Secondary (PCM, Non-Medical) — National Institute of Open Schooling (NIOS)

Dec 2023

Secondary School (CBSE) — Hind Public School

Apr 2020

CERTIFICATIONS

- Cybersecurity Security Analyst Job Simulation, Tata Consultancy Services (Forage) — Jan 2026
- Advent of Cyber 2025, TryHackMe — Dec 2025
- Cyber Job Simulation, Deloitte Australia — Apr 2025
- Post Graduate Diploma in Financial Accounting (PGDFA), Tally Academy — Apr 2025
- Full Stack Developer, CodeYogi (Online Certificate Course) — Jul 2022

COMPETITIONS & ACHIEVEMENTS

- CODEXRA CTF, Tech Shastra, VMSB UTU — Ranked 7th of Top 10 (Dec 2025).
- PromptX Hackathon, Devbhumi University — Participant, 24-hour hackathon (Mar 2025).
- Best Speaker across multiple debate sessions, Manthan – The University Debating Society (Feb 2025).

LEADERSHIP & WORKSHOPS

- Leader, NSS Unit, Government Polytechnic Kashipur (Aug 2021 – Aug 2022).
- Workshops: Build With AI (GDG), Build Bharat Tour 2025 (Blockchain), Endpoint Security.
